fourth bedroom.

Each master has a beautiful ensuite with feature tiling and sensor lighting that turns on when you step inside. A large walk-in robe, access to a balcony and floor-to-ceiling windows that showcase the sweeping water views complete the suites.

For the home chef, the kitchen is as beautiful as it is functional. Sleek cabinetry and a huge butler's pantry conceal the everyday chaos of the kitchen, while a suite of high quality Smeg appliances includes a double steam oven and a dishwasher.

A concrete slab countertop, warm timber feature cabinetry and a mirrored backsplash will appeal to the style conscious, while its open-plan layout will suit the avid entertainer.

Stacking doors feature in the living and dining spaces so you can let the party flow out to the decks and pool area. Whether you want to relax or host friends, there is an abundance of space inside and out.

Low-maintenance gardens, an intercom system, bespoke timber entry door and ducted air-conditioning are just some of this home's extra features.

From the custom LED light strips that softly illuminate the modern square set ceilings, to the timber floors, quality tiles and stunning tiled wall that reaches high in the stairwell, it's easy to see why this home has been entered into the 2019 HIA Builders Awards.

You will love living within the beautiful Sunshine Cove locale, close to the newly extended Sunshine Plaza with major retailers including David Jones, Myer and specialty stores, cafes and a dining Riverwalk all on hand.
