Catering will be a joy in the sleek and stylish kitchen with modern stainless steel appliances, a large island with a double sink, gorgeous stone benchtops and a corner pantry. Featuring storage galore and the ability to watch the kids in the pool while preparing dinner.

Timber-look flooring and a neutral colour palette ensure the home feels spacious and on-trend while split system air-conditioning in the living and ceiling fans throughout provide total comfort.

There is a large media room, perfectly poised for movie night with the family. All four bedrooms are a great size with three boasting built-in robes and the master complete with a walk-in robe, ensuite and access to a courtyard.

Bedroom four could double as a study, depending on your needs, while a double garage with internal access, a laundry and the main bathroom with a separate toilet complete the floorplan. Featuring solar panels, those electricity bills will be something of the past.

The Harmony Estate offers acres of parklands and barbeque areas along with a local café and playgrounds. There are future plans to add a sports park along with a range of amenities. You will live within easy reach of the recently expanded Sunshine Plaza Shopping Centre, the University of the Sunshine Coast and the vibrant beachside hub of Mooloolaba.
