Waterfront living never looked so good

The home of your dreams is within reach at this truly stunning waterfront home. Complete with five bedrooms (or 4 plus a large study), three bathrooms, room for three cars, and your own private deck overlooking the water, this unbeatable residence is sure to provide you with the life of luxury you deserve.

With a sleek, modern layout, this abode feels as much like a luxury hotel as it does a family home. The gorgeous kitchen has a dual-tone design and timber flooring, as well as a wrap-around counter to make sure the chef is never far from the action. Look out across your open-plan living and dining area, with high ceilings and wall-length windows stretching across the back of the house and offering the most phenomenal views of the water beyond.

The views continue into the sleeping areas where bright bedrooms provide enough space for all your family and friends. The huge master bedroom comes complete with an ensuite and walk-in robe, with large windows on multiple sides overlooking the water. Another of the bedrooms is also fitted with an ensuite, and the main bathroom has its own bath and shower. Use the remaining room here as a home office, study, or additional bedroom – this is the house that works for you.

Drift out onto your generous private deck, which has so much room for dinner parties, barbecuing, relaxing, or simply watching river life go by. Around the corner, you'll find a stunning pool, ideal for soaking up the sun and getting in a few early morning laps.
